STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: New Jersey

ASSET VERIFICATION SYSTEM

1940(a)
of the Act

1. The agency will provide for the verification of assets for purposes of determining or redetermining Medicaid eligibility for aged, blind and disabled Medicaid applicants and recipients using an Asset Verification System (AVS) that meets the following minimum requirements.
 - A. The request and response system must be electronic:
 - (1) Verification inquiries must be sent electronically via the internet or similar means from the agency to the financial institution (FI).
 - (2) The system cannot be based on mailing paper-based requests.
 - (3) The system must have the capability to accept responses electronically.
 - B. The system must be secure, based on a recognized industry standard of security (e.g., as defined by the U.S. Commerce Department's National Institute of Standards and Technology, or NIST).
 - C. The system must establish and maintain a database of FIs that participate in the agency's AVS.
 - D. Verification requests also must be sent to FIs other than those identified by applicants and recipients, based on some logic such as geographic proximity to the applicant's home address, or other reasonable factors whenever the agency determines that such requests are needed to determine or redetermine the individual's eligibility.
 - E. The verification requests must include a request for information on both open and closed accounts, going back up to 5 years as determined by the State.

ASSET VERIFICATION SYSTEM

3. Provide the AVS implementation information requested for the implementation approach checked in Section 2, and any other information the agency may want to include.

In order to implement the requirements of an asset verification system, the State agency will select a contractor through a Request for Proposals (RFP) process. The contractor will meet the State's regulatory criteria and qualifications. The contractor will be responsible for utilizing the required authorizations from applicants and recipients to carry out the asset verification program aforementioned in Section 1 and consistent with the program utilized by the Commissioner of Social Security under section 1631(e)(1)(B)(ii) of the Social Security Act. The State will provide guidance to the contractor in the development of the program and monitor the program's implementation. The contractor shall be responsible for compilation of data for the State to comply with federally required AVS report submissions. The contracted entity shall be subject to the same requirements on use and disclosure of information as would be applicable if the State were to directly perform the AVS activities.
