**TRANSMITTAL NUMBER:**

**STATE:**

New Jersey

Through December 31, 2014, the state is using an interim alternative single streamlined application. After December 31, 2014, the state will use a revised alternative single streamlined application. The revised application will address the issues outlined in the CMS letter, which was issued with the approval of this state plan amendment, concerning the state’s application. The revised application will be incorporated by reference into the state plan.
Eligibility Process

The state meets all the requirements of 42 CFR 435, Subpart J for processing applications, determining and verifying eligibility, and furnishing Medicaid.

Application Processing

Indicate which application the agency uses for individuals applying for coverage who may be eligible based on the applicable modified adjusted gross income standard.

☐ The single, streamlined application for all insurance affordability programs, developed by the Secretary in accordance with section 1413(b)(1)(A) of the Affordable Care Act

☐ An alternative single, streamlined application developed by the state in accordance with section 1413(b)(1)(B) of the Affordable Care Act and approved by the Secretary, which may be no more burdensome than the streamlined application developed by the Secretary.

☐ An alternative application used to apply for multiple human service programs approved by the Secretary, provided that the agency makes readily available the single or alternative application used only for insurance affordability programs to individuals seeking assistance only through such programs.

Indicate which application the agency uses for individuals applying for coverage who may be eligible on a basis other than the applicable modified adjusted gross income standard:

☐ The single, streamlined application developed by the Secretary or one of the alternate forms developed by the state and approved by the Secretary, and supplemental forms to collect additional information needed to determine eligibility on such other basis, submitted to the Secretary.

☐ An application designed specifically to determine eligibility on a basis other than the applicable MAGI standard which minimizes the burden on applicants, submitted to the Secretary.

The agency's procedures permit an individual, or authorized person acting on behalf of the individual, to submit an application via the internet website described in 42 CFR 435.1200(f), by telephone, via mail, and in person.

The agency also accepts applications by other electronic means:

☐ Yes ☐ No
Medicaid Eligibility

The agency has procedures to take applications, assist applicants and perform initial processing of applications for the eligibility groups listed below at locations other than those used for the receipt and processing of applications for the title IV-A program, including Federally-qualified health centers and disproportionate share hospitals.

Parents and Other Caretaker Relatives
Pregnant Women
Infants and Children under Age 19

Redetermination Processing

☐ Redeterminations of eligibility for individuals whose financial eligibility is based on the applicable modified adjusted gross income standard are performed as follows, consistent with 42 CFR 435.916:

☐ Once every 12 months

☐ Without requiring information from the individual if able to do so based on reliable information contained in the individual’s account or other more current information available to the agency

If the agency cannot determine eligibility solely on the basis of the information available to it, or otherwise needs additional information to complete the redetermination, it provides the individual with a pre-populated renewal form containing the information already available.

☐ Redeterminations of eligibility for individuals whose financial eligibility is not based on the applicable modified adjusted gross income standard are performed, consistent with 42 CFR 435.916 (check all that apply):

☒ Once every 12 months
☐ Once every 6 months
☐ Other, more often than once every 12 months

Coordination of Eligibility and Enrollment

The state meets all the requirements of 42 CFR 435, Subpart M relative to coordination of eligibility and enrollment between Medicaid, CHIP, Exchanges and other insurance affordability programs. The single state agency has entered into agreements with the Exchange and with other agencies administering insurance affordability programs.

I understand that if I'm found eligible and because I have joined a Health Plan, I must follow the rules for obtaining health care from the Health Plan. I understand that I must let my Health Plan and NJ FamilyCare know if there is any change in the number of people in my family and that any newborn children will be enrolled in my Health Plan. I understand that, unless I, or a family member, have a true medical emergency, I must call my personal doctor for medical advice, medical care or for a referral to a specialist. I understand that if I, or a family member, have a true medical emergency, I must call my personal doctor or the Health Plan as soon as possible after I, or the family member, goes to the hospital. I understand that I must keep any medical appointment I have scheduled with a doctor and, if I cannot, I must call the doctor's office to cancel the appointment. I understand that if I go to a doctor other than my personal doctor I have selected, without a referral from my doctor or approval from the Health Plan, I may have to pay for that doctor's services because NJ FamilyCare will not pay for any unapproved service or visit. I understand that I may change to another Health Plan and that I can call the Health Benefits Coordinator to help me do that. I give permission for the release of my medical history and health care records and those of my family members who will be enrolled to any person(s) in the Health Plan and its providers who shall provide or coordinate health care to me and my family as long as I am a member of the Health Plan.
