Dear Ms. Stehle:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Arkansas' request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
AR Living Choices in Assisted Living Waiver	AR.0400.R04.02

The amendment that the state has requested in the Appendix K is additive to those previously approved and is effective from March 12, 2020 through six months after the end of the Public Health Emergency (PHE). CMS notes the state is implementing a rate increase for Assisted Living service providers effective January 1, 2022 through December 31, 2022, but not later than the end of the Appendix K. The amendment applies in all locations served by the individual waiver for anyone impacted by COVID-19.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the ARP. Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
