Dear Ms. Stehle:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Arkansas' request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Community and Employment Supports Waiver	AR.0188.R06.02
Autism Waiver	AR.0936.R01.06

The state's approved Appendix K is effective from March 12, 2020 to July 1, 2022. This additive Appendix K extends the end date from July 1, 2022 through six months after the end of the Public Health Emergency (PHE). The amendment applies in all locations served by the individual waivers for anyone impacted by COVID-19.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the ARP. Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
