Dear Director Cooper:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving California's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
HCBS Waiver for Californians with Developmental Disabilities	CA.0336.R04.23

The state's approved Appendix K is effective February 4, 2020 through six months after the end of the federal public health emergency (PHE) for COVID-19. The amendment that the state has requested in the Appendix K is additive to those previously approved; it applies in all locations served by the individual waiver for anyone impacted by COVID-19. The purpose of the amendment is to add one-time supplemental payments. Also, effective January 1, 2023, the state is implementing rate increases for providers of the identified services.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for the HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
