APPENDIX K: Emergency Preparedness and Response and COVID-19 Addendum

Background:

This standalone appendix may be utilized by the state during emergency situations to request amendments to its approved waiver, to multiple approved waivers in the state, and/or to all approved waivers in the state. It includes actions that states can take under the existing Section 1915(c) home and community-based waiver authority in order to respond to an emergency. Other activities may require the use of various other authorities such as the Section 1115 demonstrations or the Section 1135 authorities.[i] This appendix may be applied retroactively as needed by the state. Public notice requirements normally applicable under 1915(c) do not apply to information contained in this Appendix.

Appendix K-2: Temporary or Emergency-Specific Amendment to Approved Waiver

Temporary or Emergency-Specific Amendment to Approved Waiver:

These are changes that, while directly related to the state's response to an emergency situation, require amendment to the approved waiver document. These changes are time limited and tied

specifically to individuals impacted by the emergency. Permanent or long-ranging changes will need to be incorporated into the main appendices of the waiver, via an amendment request in the waiver management system (WMS) upon advice from CMS.

a.___ Access and Eligibility:

i.___ Temporarily increase the cost limits for entry into the waiver.
[Provide explanation of changes and specify the temporary cost limit.]

ii.___ Temporarily modify additional targeting criteria.
[Explanation of changes]

b.___ Services

i.___ Temporarily modify service scope or coverage.
[Complete Section A- Services to be Added/Modified During an Emergency.]

ii. ___Temporarily exceed service limitations (including limits on sets of services as described in Appendix C-4) or requirements for amount, duration, and prior authorization to address health and welfare issues presented by the emergency.
[Explanation of changes]

iii. ___Temporarily add services to the waiver to address the emergency situation (for example, emergency counseling; heightened case management to address emergency needs; emergency medical supplies and equipment; individually directed goods and services; ancillary services to establish temporary residences for dislocated waiver enrollees; necessary technology; emergency evacuation transportation outside of the scope of non-emergency transportation or transportation already provided through the waiver).
[Complete Section A-Services to be Added/Modified During an Emergency]

iv. ___Temporarily expand setting(s) where services may be provided (e.g. hotels, shelters, schools, churches). Note for respite services only, the state should indicate any facility-based settings and indicate whether room and board is included:
[Explanation of modification, and advisement if room and board is included in the respite rate]:

v.___ Temporarily provide services in out of state settings (if not already permitted in the state's approved waiver). [Explanation of changes]

c.___ Temporarily permit payment for services rendered by family caregivers or legally responsible individuals if not already permitted under the waiver. Indicate the services to which this will apply and the safeguards to ensure that individuals receive necessary services as authorized in the plan of care, and the procedures that are used to ensure that payments are made for services rendered.

d.___ Temporarily modify provider qualifications (for example, expand provider pool, temporarily modify or suspend licensure and certification requirements).

i.___ Temporarily modify provider qualifications.

[Provide explanation of changes, list each service affected, list the provider type, and the changes in provider qualifications.]

ii.___ Temporarily modify provider types.

[Provide explanation of changes, list each service affected, and the changes in the .provider type for each service].

iii.___ Temporarily modify licensure or other requirements for settings where waiver services are furnished.

[Provide explanation of changes, description of facilities to be utilized and list each service provided in each facility utilized.]

e. _X__Temporarily modify processes for level of care evaluations or re-evaluations (within regulatory requirements). [Describe]

The initial Level of Care (LOC) assessment and yearly re-assessment requirement will be modified to include the option for a telephone or other technological contact for participants of the HCBS waiver in accordance with HIPAA requirements. The case manager will document, in the Log Notes and the assessment the contact with the participant and/or guardian. The CMA will be able to receive the signed form up to 60 days after start date if the member does not have ability to receive forms by email.

The Department will exclude the Patient Medical Information Page (PMIP) from the initial LOC process and yearly reassessment for the length of the State Disaster Plan to prevent a portion of the LOC process from occurring after services are rendered. CMA will document in the Log Notes and the assessment this information.

For the SLS and DD waivers, the Initial Supports Intensity Scale assessment may be completed up to 60 days following enrollment.

f.___ Temporarily increase payment rates.

[Provide an explanation for the increase. List the provider types, rates by service, and specify whether this change is based on a rate development method that is different from the current approved waiver (and if different, specify and explain the rate development method). If the rate varies by provider, list the rate by service and by provider.]

The Department requests the ability to pay a flat rate of $110 dollar Per Member Per Month (PMPM) for Financial Management Service (FMS) vendors in order to support temporary COVID-19 related administrative changes in Consumer Directed Attendant Support Services (CDASS. Examples of costs to the FMS include custom systems coding, expedited delivery, and implementation costs. FMS are provided as an administrative activity and are paid on a PMPM basis. The Department contracts with the FMS contractor(s) in accordance with the State of Colorado Procurement Code and Rules, 24-101-101 through 24-112-101-10. The FMS vendors offer participant-directed supports that ensure payments to participants' service providers are appropriately managed, tax and insurance compliance is maintained, and program fiscal rules are upheld (EBD, CMHS, SCI, BI, SLS).

The Department is requesting the ability to increase, supplement, or provide additional fee-for service payment(s) to all HCBS providers, depending on need, to ensure continuity of operations and assurance of client health, safety, and welfare within waiver benefits.

Transitional Living Programs (BI)

Depending on the need, the rates may need to exceed the currently approved rate methodology as delineated in this amendment. The Department has attached the current rate sheet

g.___ Temporarily modify person-centered service plan development process and individual(s) responsible for person-centered service plan development, including qualifications.
[Describe any modifications including qualifications of individuals responsible for service plan development, and address Participant Safeguards. Also include strategies to ensure that services are received as authorized.]

h.___ Temporarily modify incident reporting requirements, medication management or other participant safeguards to ensure individual health and welfare, and to account for emergency circumstances. [Explanation of changes]

i.___ Temporarily allow for payment for services for the purpose of supporting waiver participants in an acute care hospital or short-term institutional stay when necessary supports (including communication and intensive personal care) are not available in that setting, or when the individual requires those services for communication and behavioral stabilization, and such services are not covered in such settings.
[Specify the services.]

j.___ Temporarily include retainer payments to address emergency related issues.

[Describe the circumstances under which such payments are authorized and applicable limits on their duration. Retainer payments are available for habilitation and personal care only.]

k.___ Temporarily institute or expand opportunities for self-direction.

[Provide an overview and any expansion of self-direction opportunities including a list of services that may be self-directed and an overview of participant safeguards.]

l.___ Increase Factor C.

[Explain the reason for the increase and list the current approved Factor C as well as the proposed revised Factor C]

m.___ Other Changes Necessary [For example, any changes to billing processes, use of contracted entities or any other changes needed by the State to address imminent needs of individuals in the waiver program]. [Explanation of changes]
