Thomas Wallace, Deputy Secretary of Medicaid  
Agency for Health Care Administration  
2727 Mahan Drive, Mail Stop #8  
Tallahassee, FL 32308

Dear Mr. Wallace,

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Florida's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Developmental Disabilities Individual Budgeting Waiver	FL.0867.R02.06

The state's approved Appendix K is effective from January 27, 2020 through six months after the end of the Public Health Emergency (PHE). The amendment that the state has requested in the Appendix K is additive to those previously approved. Effective January 1, 2022 through six months after the end of the PHE, the state is implementing a one-time supplemental payment to eligible HCBS providers to purchase and install Delayed Egress Systems in their facilities, in compliance with the requirements set forth in the HCBS Settings Rule. The amendment applies in all locations served by the individual waiver for anyone impacted by COVID-19.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
