Dear Administrator Charron:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Idaho's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
HCBS Adult Developmental Disabilities Waiver	ID.0076.R07.01

The state's approved Appendix K is effective from January 27, 2020 through six months after the end of the Public Health Emergency (PHE). The amendment that the state has requested in the Appendix K is additive to those previously approved. CMS notes the state is extending the end date of the temporary Homemaker service from October 22, 2020 to six months after the end of the PHE. The amendment applies in all locations served by the individual waivers for anyone impacted by COVID-19.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the ARP. Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
