Medicaid Director  
Indiana Family and Social Services Administration  
402 W. Washington Street  
Indianapolis, IN 46204

Dear Ms. Taylor:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Indiana's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Aged & Disabled (A&D) Waiver	IN.0210.R06.09
Traumatic Brain Injury (TBI) Waiver	IN.4197.R04.07

The state's approved Appendix K is effective March 1, 2020 through six months after the end of the federal public health emergency (PHE) for COVID-19. The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. CMS acknowledges the amendments revise the effective end date of the 3.9 percent Assisted Living services rate increase to June 30, 2023 or six months after the end of the PHE, whichever comes sooner.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
