Dear Mr. Gillies:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Louisiana's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
New Opportunities Waiver (NOW)	LA.0401.R04.02
Residential Options Waiver (ROW)	LA.0472.R02.14
Supports Waiver	LA.0453.R03.13
Children's Choice Waiver (CC)	LA.0361.R04.13

The state's approved Appendix K is effective January 27, 2020 through six months after the end of the federal public health emergency (PHE) for COVID-19. The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. CMS acknowledges that the state has selected various effective dates for the activities approved in this Appendix K.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
