Office of Maine Care Services

Dear Ms. Probert:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Maine's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

<u>WAIVER TITLE</u>	<u>CMS AMENDMENT CONTROL NUMBER</u>
Home and Community-Based Services for Members with Brain Injury waiver	ME.1082.R01.10
Home and Community-Based Services for Elderly and Adults with Disabilities waiver	ME.0276.R05.10
Home and Community-Based Services for Adults with Other Related Conditions waiver	ME.0995.R01.12
Home and Community Services for Adults with Intellectual Disabilities or Autism Spectrum Disorder waiver	ME.0159.R07.09
Support Services for Adults with Intellectual Disabilities or Autism Spectrum Disorder waiver	ME.0467.R03.03

The state's approved Appendix K is effective from March 1, 2020 to six months after the end of the federal public health emergency (PHE) for COVID-19. The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. CMS acknowledges effective July 1, 2022, the state will make supplemental payments to providers as specified within the Appendix K. Additionally, with this amendment, the state amends the end date from March 31, 2022 to December 31, 2022 for qualifying bonus payments as specified within the Appendix K.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
