PO Box 4210

Helena, MT 59620

Dear Mr. Randol:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Montana's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Montana Behavioral Health Severe and Disabling Mental Illness (SDMI) Waiver	MT.0455.R03.09

The state's approved Appendix K is effective January 27, 2020 until the end of the federal public health emergency (PHE) for COVID-19. The amendment that the state has requested in the Appendix K is additive to those previously approved; it applies in all locations served by the individual waiver for anyone impacted by COVID-19. CMS acknowledges the state is adding Financial Management Services (FMS) and Individual Directed Goods and Services to expand self-direction opportunities to waiver participants effective February 1, 2022.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
