Michael Randol, State Medicaid Director  
Public Health & Human Services  
PO Box 4210  
111 North Sanders  
Helena, MT 59620

Dear Director Randol:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Montana's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

<b>WAIVER TITLE</b>	<b>CMS AMENDMENT CONTROL NUMBER</b>
Montana Big Sky Home and Community Based Waiver	MT.0148.R06.15
Montana Home and Community based Waiver for Individuals with Developmental Disabilities	MT.0208.R06.13
Montana Behavioral Health Severe and Disabling Mental Illness (SDMI) Waiver	MT.0455.R03.13

The state's approved Appendix K is effective January 27, 2020 until six months after the end of the federal public health emergency (PHE) for COVID-19. The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. Effective July 1, 2023, the state will implement rate increases approved by the state legislature for the identified waiver services as specified within the Appendix K amendment.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan.
