Dear Mr. Lipman:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving New Hampshire's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
In Home Supports Waiver for Children with Developmental Disabilities	NH.0397.R04.02
Developmental Disabilities Waiver	NH.0053.R07.03
Acquired Brain Disorder Waiver	NH.4177.R06.03

The state's approved Appendix Ks are effective from March 1, 2020 through six months after the end of the Public Health Emergency (PHE). This submission enables an additional service to receive supplemental payments under the methodology approved in the prior Appendix K. Supplemental payments will be made to providers of this service by June 30, 2022, upon approval of this Appendix K submission. This Appendix K is additive to those previously approved and applies in all locations served by the individual waivers for anyone impacted by COVID-19.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of these actions does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
