Dear Ms. Bierman:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Nevada's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Frail Elderly waiver	NV.0152.R07.02
Persons with Physical Disabilities waiver	NV.4150.R06.07

The amendments that the state has requested in the Appendix K are additive to those previously approved and are effective from January 27, 2020 to six months after the end of the federal public health emergency (PHE) for COVID-19; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. CMS acknowledges the rate restoration is effective July 1, 2021.

Please note the guidance issued in the December 22, 2020 State Health Official Letter ([SHO](#)); specifically, the requirement for advance notice of beneficiaries. When closing an Appendix K or ending an Appendix K flexibility prior to the end date of the Appendix K, the requirement for advance notice of beneficiaries applies. More details can be found on pages 11-12 of the SHO.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
