Dear Administrator Weeks:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Nevada's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
HCBS Waiver for Intellectual and Developmental Disabilities (IDD)	NV.0125.R07.07

The state's approved Appendix K is effective January 27, 2020 through six months after the end of the Public Health Emergency (PHE) for COVID-19. The amendment that the state has requested in the Appendix K is additive to those previously approved; it applies in all locations served by the individual waiver for anyone impacted by COVID-19. CMS acknowledges effective February 1, 2023, the state will temporarily increase Dental Services rates by ten percent and the corresponding maximum service limit amount from \$2,000 to \$2,500 per calendar year under the Waiver for Individuals with Intellectual and Developmental Disabilities.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
