Office of Medical Assistance Programs
625 Forester Street, Health and Welfare Building
Harrisburg, PA 17120

Dear Deputy Secretary Kozak:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Pennsylvania's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Consolidated Waiver	PA.0147.R06.17
Community Living Waiver	PA.1486.R00.17
Person/Family Directed Support (P/FDS) Waiver	PA.0354.R04.16

The state's approved Appendix K is effective March 11, 2020 through six months after the end of the Public Health Emergency (PHE). The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. The purpose of this amendment is to allow supplemental payments to the identified providers in the Appendix K beginning December 1, 2022. These supplemental payments will be funded through the state of Pennsylvania's general funds due to savings from the enhanced federal funds made available through section 9817 of the American Rescue Plan Act of 2021.

The state has identified its intent to use money realized from section 9817 of the ARP. Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
