Dear Ms. Stephens,

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Texas' request to amend the following 1915(c) Home and Community-Based Services (HCBS) waiver with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Home and Community-Based Services	TX.0110.R07.14

The state's approved Appendix K is effective from March 13, 2020 through the end of the Public Health Emergency (PHE). The amendment that the state has requested in the Appendix K is additive to those previously approved. CMS notes the state is increasing the Factor C in waiver year 2 from 27,378 to 27,763. The amendment applies in all locations served by the individual waiver for anyone impacted by COVID-19.

CMS reminds the state that the state must have an approved spending plan in order to use the money realized from section 9817 of the American Rescue Plan. Approval of this action does not constitute approval of the state's spending plan.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than Appendix K.
