

APPENDIX K: Emergency Preparedness and Response and COVID-19 Addendum

Background:

This standalone appendix may be utilized by the state during emergency situations to request amendments to its approved waiver, to multiple approved waivers in the state, and/or to all approved waivers in the state. It includes actions that states can take under the existing Section 1915(c) home and community-based waiver authority in order to respond to an emergency. Other activities may require the use of various other authorities such as the Section 1115 demonstrations or the Section 1135 authorities.¹ This appendix may be applied retroactively as needed by the state. Public notice requirements normally applicable under 1915(c) do not apply to information contained in this Appendix.

Appendix K-1: General Information

General Information:

A. State: Wyoming

B. Waiver Title(s): Supports Waiver, Comprehensive Waiver

C. Control Number(s): WY.1060.R01.02, WY.1061.R01.02

Appendix K-2: Temporary or Emergency-Specific Amendment to Approved Waiver

Temporary or Emergency-Specific Amendment to Approved Waiver:

These are changes that, while directly related to the state's response to an emergency situation, require amendment to the approved waiver document. These changes are time limited and tied specifically to individuals impacted by the emergency. Permanent or long-ranging changes will need to be incorporated into the main appendices of the waiver, via an amendment request in the waiver management system (WMS) upon advice from CMS.

a. ___ Access and Eligibility:

i. ___ Temporarily increase the cost limits for entry into the waiver.

[Provide explanation of changes and specify the temporary cost limit.]

ii. ___ Temporarily modify additional targeting criteria.

[Explanation of changes]

b. ___ Services

i. X Temporarily modify service scope or coverage.

[Complete Section A- Services to be Added/Modified During an Emergency.]

ii. X Temporarily exceed service limitations (including limits on sets of services as described in Appendix C-4) or requirements for amount, duration, and prior authorization to address health and welfare issues presented by the emergency.

[Explanation of changes]

During times when school districts are closed or not providing educational services to students, waiver services including respite, child habilitation, individual habilitation and, for individuals 18 years and older, companion services may be utilized by participants who are typically in school services. These services will not duplicate services covered under the Individuals with Disabilities Education Act.

iii. ___ Temporarily add services to the waiver to address the emergency situation (for example, emergency counseling; heightened case management to address emergency needs; emergency medical supplies and equipment; individually directed goods and services; ancillary services to establish temporary residences for dislocated waiver enrollees; necessary technology; emergency evacuation transportation outside of the scope of non-emergency transportation or transportation already provided through the waiver).

[Complete Section A-Services to be Added/Modified During an Emergency]

iv. X Temporarily expand setting(s) where services may be provided (e.g. hotels, shelters, schools, churches). Note for respite services only, the state should indicate any facility-based settings and indicate whether room and board is included:

[Explanation of modification, and advisement if room and board is included in the respite rate]:

Community Support Services may be provided in the participant's home

v. ___ Temporarily provide services in out of state settings (if not already permitted in the state's approved waiver). [Explanation of changes]

c. ___ Temporarily permit payment for services rendered by family caregivers or legally responsible individuals if not already permitted under the waiver. Indicate the services to which this will apply and the safeguards to ensure that individuals receive necessary services as authorized in the plan of care, and the procedures that are used to ensure that payments are made for services rendered.

d. X Temporarily modify provider qualifications (for example, expand provider pool, temporarily modify or suspend licensure and certification requirements).

i. X Temporarily modify provider qualifications.

[Provide explanation of changes, list each service affected, list the provider type, and the changes in provider qualifications.]

- If a provider employee has a required certification expire due to training cancelations during the COVID-19 crisis (i.e., Medication Assistance Training, CPR, Mandt), the provider will need to document the reason for the expiration in the employee's file. Upon notification from the Governor that the crisis has passed, the employee will have 30 calendar days to schedule training.
 - Fingerprint background screening requirements for new employees, and subsequent fingerprinting for existing employees are temporarily suspended. Upon notification from the Governor that the crisis has passed, the employee will have 30 calendar days to submit their fingerprints. Department of Family Services Central Registry and Office of Inspector General Exclusion Database screenings are still required, as established in Chapter 45, Section 14.

ii. ___ Temporarily modify provider types.

[Provide explanation of changes, list each service affected, and the changes in the .provider type for each service].

iii. X Temporarily modify licensure or other requirements for settings where waiver services are furnished.

[Provide explanation of changes, description of facilities to be utilized and list each service provided in each facility utilized.]

Current provider certification for all Comprehensive and Supports Waivers will continue during the crisis until such a time as the certification is updated. Services include Adult Day, Behavioral Support, Case Management, Child Habilitation, Cognitive Retraining, Community Living, Community Support, Companion, Crisis Intervention, Dietician, Environmental Modification, Homemaker, Individual Habilitation Training, Occupational Therapy, Personal Care, Physical Therapy, Respite, Skilled Nursing, Special Family Habilitation Home, Specialized Equipment, Speech Language and Hearing, Supported Employment, Transportation.

e. ___ Temporarily modify processes for level of care evaluations or re-evaluations (within regulatory requirements). [Describe]

f. ___ Temporarily increase payment rates.

[Provide an explanation for the increase. List the provider types, rates by service, and specify whether this change is based on a rate development method that is different from the current approved waiver (and if different, specify and explain the rate development method). If the rate varies by provider, list the rate by service and by provider.]

g. ___ Temporarily modify person-centered service plan development process and individual(s) responsible for person-centered service plan development, including qualifications.

[Describe any modifications including qualifications of individuals responsible for service plan development, and address Participant Safeguards. Also include strategies to ensure that services are received as authorized.]

h. ___ Temporarily modify incident reporting requirements, medication management or other participant safeguards to ensure individual health and welfare, and to account for emergency circumstances. [Explanation of changes]

i. X Temporarily allow for payment for services for the purpose of supporting waiver participants in an acute care hospital or short-term institutional stay when necessary supports (including communication and intensive personal care) are not available in that setting, or when the individual requires those services for communication and behavioral stabilization, and such services are not covered in such settings.

[Specify the services.]

- Participants who require hospitalization will be allowed to receive the following services in a hospital setting, for no more than thirty (30) consecutive days, when the participant requires these services for communication, behavioral stabilization, or intensive personal care needs:
 - Adult Day Services
 - Community Living Services
 - Companion Services
 - Personal Care Services

j. ___ Temporarily include retainer payments to address emergency related issues.

[Describe the circumstances under which such payments are authorized and applicable limits on their duration. Retainer payments are available for habilitation and personal care only.]

k. ___ Temporarily institute or expand opportunities for self-direction.

[Provide an overview and any expansion of self-direction opportunities including a list of services that may be self-directed and an overview of participant safeguards.]

l. ___ Increase Factor C.

[Explain the reason for the increase and list the current approved Factor C as well as the proposed revised Factor C]

m. ___ Other Changes Necessary [For example, any changes to billing processes, use of contracted entities or any other changes needed by the State to address imminent needs of individuals in the waiver program]. [Explanation of changes]

Appendix K Addendum: COVID-19 Pandemic Response

1. HCBS Regulations

- a. Not comply with the HCBS settings requirement at 42 CFR 441.301(c)(4)(vi)(D) that individuals are able to have visitors of their choosing at any time, for settings added after March 17, 2014, to minimize the spread of infection during the COVID-19 pandemic.

2. Services

- a. Add an electronic method of service delivery (e.g., telephonic) allowing services to continue to be provided remotely in the home setting for:
 - i. Case management
 - ii. Personal care services that only require verbal cueing
 - iii. In-home habilitation
 - iv. Monthly monitoring (i.e., in order to meet the reasonable indication of need for services requirement in 1915(c) waivers).
 - v. Other [Describe]:

- b. Add home-delivered meals
- c. Add medical supplies, equipment and appliances (over and above that which is in the state plan)
- d. Add Assistive Technology

3. Conflict of Interest: The state is responding to the COVID-19 pandemic personnel crisis by authorizing case management entities to provide direct services. Therefore, the case management entity qualifies under 42 CFR 441.301(c)(1)(vi) as the only willing and qualified entity.

- a. Current safeguards authorized in the approved waiver will apply to these entities.
- b. Additional safeguards listed below will apply to these entities.

4. Provider Qualifications

- a. Allow spouses and parents of minor children to provide personal care services
- b. Allow a family member to be paid to render services to an individual.
- c. Allow other practitioners in lieu of approved providers within the waiver. *[Indicate the providers and their qualifications]*

- d. Modify service providers for home-delivered meals to allow for additional providers, including non-traditional providers.

5. Processes

- a. Allow an extension for reassessments and reevaluations for up to one year past the due date.
- b. Allow the option to conduct evaluations, assessments, and person-centered service planning meetings virtually/remotely in lieu of face-to-face meetings.
- c. Adjust prior approval/authorization elements approved in waiver.
- d. Adjust assessment requirements
- e. Add an electronic method of signing off on required documents such as the person-centered service plan.

				<p>DHCF shall initially certify a new agency providing this service for one year. Renewal of that certification, including an on-site visit, shall be conducted at least once every three (3) years. During the COVID-19 health emergency, current certifications will continue until such time as the certification is updated. Providers that do not provide services in a setting that is owned, leased or controlled by the provider shall not be subject to an on-site visit. DHCF has the authority to conduct an on-site visit when a concern is identified during a complaint, incident report, internal referral, or at the agency's discretion.</p>

ⁱ Numerous changes that the state may want to make may necessitate authority outside of the scope of section 1915(c) authority. States interested in changes to administrative claiming or changes that require section 1115 or section 1135 authority should engage CMS in a discussion as soon as possible. Some examples may include: (a) changes to administrative activities, such as the establishment of a hotline; or (b) suspension of general Medicaid rules that are not addressed under section 1915(c) such as payment rules or eligibility rules or suspension of provisions of section 1902(a) to which 1915(c) is typically bound.
