Note: States are expected to report the Health Home Core Set measures when their state plan amendment (SPA) has been in effect for six months or more of the measurement period. For SPA amendments, states are expected to include data affected by the amendment combined with data from the original SPA when the amendment is in effect for six or more months of the measurement period. For more information, contact the TA mailbox at MACQualityTA@cms.hhs.gov.

*The measurement period is January 1, 2012 to December 31, 2012 for the FFY 2013 reporting cycle; January 1, 2013 to December 31, 2013 for the FFY 2014 reporting cycle; and January 1, 2014 to December 31, 2014 for the FFY 2015 reporting cycle.
