- MACPro Medicaid State Plan State User Roles
- MACPro Medicaid State Plan State Workflows
- Help Desk and Technical Assistance
- Next Steps
- Questions?
What is MACPro?

- A web-based system that allows CMS and states to collaborate more effectively online in support of Medicaid and CHIP initiatives.

- Current MACPro functionality includes:
  - Medicaid Health Home State Plan Amendments, and
  - Quality Measures Reporting

- Will eventually replace the Medicaid Model Data Lab (MMDL) and paper-based process of submitting and reviewing state plan amendments.
Key Features

♦ **MACPro Features:**
  - SPA templates designed with structured data choices and built-in logic
  - Tasks
  - Automated Notifications

♦ **System Functionalities:**
  - Submission Packages
  - Review Tool
  - Analyst Notes
  - Correspondence Log
  - Clarification
  - Request Addition Information (RAI)
  - Approval Notice
Implementation of MACPro

- Ensures consistency across states through simplified SPA templates
- Reduces unnecessary delay and enhances efficiency through automated workflows and built-in logic
- Improves transparency by allowing states to check the status of submissions
- Establishes clear communication processes that are documented and maintained in one central location
- Supports data-driven decision making for Medicaid and CHIP programs
- Consolidates multiple systems to allow for standardized data definitions and work processes across programs and policies
Future of MACPro

When fully implemented, MACPro will allow CMS, along with state partners and researchers, to have a single point of entry to access various program data applications including, but not limited to:

- Adult and Child Core Quality Measures Reporting
- State Plan Amendments (SPA)
- CHIP Program data
- RACs (Recovery Audit Contractors) Form
- Medicaid Payment Suspension Reporting
- 1937 Benchmarks
- 1115 Demonstrations
- Community First Choice SPAs
- Balancing Incentive Payments
Transition to MACPro

- Introduction to MACPro
- Transition to MACPro
- How Do I Get Obtain Access to MACPro?
- MACPro Medicaid State Plan CMS User Roles
- MACPro Medicaid State Plan CMS Workflows
- MACPro Medicaid State Plan State User Roles
- MACPro Medicaid State Plan State Workflows
- Help Desk and Technical Assistance
- Next Steps
- Questions?
MACPro will include the following state plan authorities:

- Mandatory and optional MAGI-based eligibility groups
- Additional eligibility sections including state residency, citizenship/immigration, and presumptive eligibility
- Single State Agency sections
Transition to MACPro

Transition from the MMDL to MACPro:

- Medicaid MAGI Eligibility and Admin. SPAs currently being processed in MMDL will be completed in MMDL.

- Soon, all new SPA actions should be made in MACPro and MMDL will no longer accept new SPA submissions.

- Upon go-live, draft SPAs will no longer be accessible in MMDL.

- When subsequent SPAs are submitted and approved in MACPro, they will become the official record.

- PDF Copies of Medicaid MAGI Eligibility and Admin. SPA packages, approved in MMDL, may be viewed in MACPro.
Transition to MACPro

Transition from the MMDL to MACPro:

- Approved Medicaid eligibility SPA data from MMDL will be copied into MACPro to simplify the creation of new SPAs and to be used as a reference material.

  - Except where the MMDL and MACPro templates differ, states will find the MACPro screens prepopulated with available information.
Transition to MACPro

Training today will cover:
- How to obtain access to MACPro
- MACPro user roles
- An overview of the state submission and CMS review process

Future trainings will cover:
- Administrative user roles including approval authority for other users to access MACPro
- Creating and submitting MAGI Eligibility or Administration SPAs within MACPro (in-system demonstration)
- CMS review and approval process for SPA submissions (in-system demonstration)
How Do I Obtain Access to MACPro?

- Introduction to MACPro
- Transition to MACPro
- How Do I Obtain Access to MACPro?
- MACPro Medicaid State Plan CMS User Roles
- MACPro Medicaid State Plan CMS Workflows
- MACPro Medicaid State Plan State User Roles
- MACPro Medicaid State Plan State Workflows
- Help Desk and Technical Assistance
- Next Steps
- Questions?
What Will I Learn?

- How to obtain MACPro access
- When each step of the process should be completed
How to Obtain MACPro Access

1. Register for an EIDM ID at the Enterprise Portal using the address: https://portal.cms.gov
2. Login to the Enterprise Portal using the address: https://portal.cms.gov and request access to MACPro
3. Receive approval for your EIDM role request (via email)
4. Log into the MACPro system via the MACPro address (https://macpro.cms.gov) using your EIDM username and password
5. Request your appropriate MACPro roles using the MACPro address: https://macpro.cms.gov
6. Receive approval for your MACPro role request (via email or MACPro Newsfeed)
How to Obtain MACPro Access

What is EIDM?

◊ Enterprise Identity Management (EIDM) is an identity management and services system that provides users with access to CMS applications

◊ EIDM is accessed through the CMS Enterprise Portal address (https://portal.cms.gov)

Which EIDM Role for MACPro should I request?

◊ All CMS users should request the “MACPro CMS Staff” role for MACPro

When do I obtain an EIDM ID and EIDM role for MACPro?

◊ All new users may obtain EIDM IDs and/or request an EIDM role for MACPro now, if they do not have one already

Please note, users should only hold one EIDM ID, even if accessing multiple CMS applications through the EIDM Portal.
How to Obtain MACPro Access

What is a MACPro role?

- Distinct user roles have been established for CMS, state, and business support users within MACPro (https://macpro.cms.gov). These roles determine in what capacity a user will utilize MACPro.

When do I obtain my MACPro role?

- You will receive an email from MACPro@cms.hhs.gov notifying you when it’s time to request your MACPro role(s) for the Medicaid Eligibility and Administration SPA authorities including detailed instructions.
How to Obtain MACPro Access

1. Register for an EIDM ID at the Enterprise Portal using the address: https://portal.cms.gov

2. Login to the Enterprise Portal using the address: https://portal.cms.gov and request access to MACPro

3. Receive approval for your EIDM role request (via email)

4. Log into the MACPro system via the MACPro address (https://macpro.cms.gov) using your EIDM username and password

5. Request your appropriate MACPro roles using the MACPro address: https://macpro.cms.gov

6. Receive approval for your MACPro role request (via email or MACPro Newsfeed)
How to Obtain MACPro Access
(Steps 1 to 3 - EI DM)

1. Register for an EIDM ID at the Enterprise Portal using the address: https://portal.cms.gov
2. Login to the Enterprise Portal using the address: https://portal.cms.gov and request access to MACPro
3. Receive approval for your EIDM role request (via email)
How to Obtain MACPro Access (Steps 4 to 6 - MACPro)

4. Log into the MACPro system via the MACPro address (https://macpro.cms.gov) using your EIDM username and password

5. Request your appropriate MACPro roles using the MACPro address: https://macpro.cms.gov

6. Receive approval for your MACPro role request (via email or MACPro Newsfeed)

- You will receive an email from MACPro@cms.hhs.gov notifying you when it’s time to request your MACPro role(s) for the Medicaid Eligibility and Administration SPA authorities including detailed instructions
Scenario 1: You are not an existing MACPro user

1a: You do not have an EIDM ID and do not have MACPro access
   - Begin with Step 1 (registering for an EIDM ID) and continue through to Step 6 (receiving approval for roles in MACPro)

1b: You have an existing EIDM ID, without approved MACPro access
   - Start with Step 2 (requesting MACPro access through EIDM) and continue through to Step 6 (receiving approval for roles in MACPro)
Scenario 2: You are an EXISTING MACPro user

◊ You are an existing MACPro user with an EIDM ID and approved MACPro access
  ♦ Begin at Step 5 (request your appropriate MACPro user role) and continue to Step 6 (receiving approval for your roles in MACPro)
Introduction to MACPro

Transition to MACPro

How Do I Obtain Access to MACPro?

Questions?
What Will I Learn?

- The CMS Medicaid State Plan MACPro roles available
- The functions of the CMS Medicaid State Plan MACPro roles
MACPro Medicaid State Plan
User Roles

- CMS and state users have many distinct roles in MACPro.

- MACPro roles determine users’ range of available actions, responsibilities, and which reports can be accessed.

- MACPro roles differ from those currently used in other CMS web-based systems (e.g., MMDL, WMS, CARTS).

- MACPro Medicaid State Plan (Eligibility, Administration, and Health Homes) CMS roles differ from MACPro Quality Measure CMS Roles.
MACPro Medicaid State Plan
CMS User Roles

- CMS Point of Contact (CPOC)
- CMS Submission Review Team (SRT)
- CMS Senior Reviewer
- CMS Package Approver (PA)
- CMS Disapproval Coordinator
- CMS Package Disapprover (PD)

- Bolded roles refer to those essential for completing the CMS workflow in MACPro.
- Roles with an asterisk (*) indicate that the role has administrative functions and must attend the MACPro administrative training.
- Unless noted otherwise, users can hold multiple roles.
### CMS User Role Descriptions

<table>
<thead>
<tr>
<th>Role</th>
<th>Actions</th>
<th>Details</th>
</tr>
</thead>
</table>
| CMS System Administrator (CSA)* | • Reviews and approves/denies user role requests  
                                 • Runs system reports as needed                                 | • Cannot request any other user role                          |
| CMS Role Approver (CRA) *      | • Reviews and approves/denies CPOC and SRT user role requests          | • Authority specific                                         |

* Individuals filling this role must attend MACPro Administrative Training.*

MACPro Medicaid State Plan CMS Workflows

- Introduction to MACPro
- Transition to MACPro
- How Do I Obtain Access to MACPro?
- MACPro Medicaid State Plan CMS User Roles

MACPro Medicaid State Plan CMS Workflows

- MACPro Medicaid State Plan State User Roles
- MACPro Medicaid State Plan State Workflows
- Help Desk and Technical Assistance
- Next Steps
- Questions?
What Will I Learn?

- CMS User Functionalities
- CMS process for reviewing SPA submission packages in MACPro
- The various MACPro roles involved in the approval and disapproval process
CMS User Functionalities

ꤵ Submission Packages
  ◦ Compilation of state plan templates

ꤵ Reviewable Units (RUs)
  ◦ MACPro version of state plan templates

ꤵ Review Tool
  ◦ Method for officially documenting submission review for CPOC and SRT

ꤵ Analyst Notes
  ◦ Tool for internal communication between CPOC and SRT during submission review

ꤵ Correspondence Log
  ◦ Tool for communication between CMS (CPOC) and the State (SPOC)
CMS User Functionalities

- **Task List**
  - To do list for workflow actions

- **Clarification Request**
  - Informal information request-Does not stop the 90 day clock

- **Request for Additional Information (RAI)**
  - Formal information request-Does stop the 90 day clock

- **Approval Notice**
  - Notification to the state of approved submission
Official SPA Submission: CMS Approval Workflow

- State submits SPA Package to CMS
  - CPOC receives the SPA package
  - CPOC selects SRT(s) and sets milestone date for completion
  - CPOC and SRT(s) perform review and provide assessment
  - CPOC provides recommended disposition
  - CPOC recommends approval and drafts approval notice
  - SPOC receives package and approves
  - SPOC closes the package

- Senior Reviewer agrees with recommendation
  - Senior Reviewer approves the package
  - Package is approved

- Senior Reviewer disagrees with recommendation
  - Senior Reviewer requests a meeting
  - Package is returned to review team

- Package approval process
  - Package approval process
  - Review & Approval Process
  - Clarification Process
  - RAI Process
  - Disapproval Process

- RAI Process
  - Clarification Process
  - Senior Reviewer requests a meeting
  - Senior Reviewer reviews package disposition

- Senior Reviewer disagrees with recommendation
  - Senior Reviewer disagrees with recommendation

- Senior Reviewer approves the package
  - Package is returned to review team
  - Package is approved

- CPOC may bypass outstanding Senior Reviewer response

- Move to disapproval workflow
  - CPOC recommends disapproval
  - Senior Reviewer disagrees with recommendation
  - Senior Reviewer requests a meeting
  - Package is returned to review team
Official SPA Submission: CMS Approval Workflow
Official SPA Submission: CMS Approval Workflow
Roadmap to Clarification

1. **CPOC** selects SRTs to review all or part of the submission package and sets milestone date for completion

2. **CPOC and SRTs** review and provide their assessments in the Review Tool. If there are questions/comments, they may be entered via Analyst Notes in the Review Tool on each section of the package

3. **CPOC and SRTs** determine if clarification is needed from the state

4. **CPOC** compiles questions from the Review Tool and enters them into the Correspondence log

5. **CPOC** initiates clarification in MACPro which returns submission package back to the state
Clarification Process: Detailed View

- Clarification process does *not* stop the 90 day clock
Official SPA Submission: CMS Approval Workflow
RAI Process: Detailed View

- RAI process *stops* the 90 day clock
Official SPA Submission: CMS Disapproval Workflow
Official SPA Submission: CMS Disapproval Workflow

- Senior Reviewer requests a meeting
- Senior Reviewer reviews package and disposition
- Senior Reviewer disagrees with recommendation

CPOC selects SRT(s) and sets milestone date for completion

No, returns to review team

Senior Reviewer agrees with recommended disapproval
Package Disprover requests a meeting and notifies Disapproval Coordinator

Package Disprover agrees with disapproval? Yes

Package Disprover disapproves package

CPOC receives the package, uploads the PDF disapproval letter, and returns package to SPOC

SPOC receives package and acknowledges receipt

CPOC closes the package

Same as Approval Process

Disapproval Process

◊ State System Administrator (SSA)*

*Roles with an asterisk (*) indicate that the role has administrative functions and must attend the MACPro administrative training.
### Role Actions

<table>
<thead>
<tr>
<th>Role</th>
<th>Actions</th>
</tr>
</thead>
</table>
| State Editor  | • Creates content for new SPA submission packages  
• Updates draft SPA submission packages based on feedback from state leadership  
• Converts draft SPA submission packages to official SPA submission packages  
• Collaborates with the State Point of Contact (SPOC) on SPA submission package clarifications and request for additional information (RAI) responses (if needed) |

*Similar to State Medicaid Agency (SMA) personnel*
<table>
<thead>
<tr>
<th>Role</th>
<th>Actions</th>
</tr>
</thead>
</table>
| State Point of Contact (SPOC)             | • Submits draft packages and certified official SPA submission packages to CMS  
• Serves as the primary contact with CMS for specific SPA submissions, including Clarification requests and RAI  
• Documents and reviews Correspondence Log entries  
• Returns submission packages to State Editors when revisions or additional information are needed  
• Reviews and updates submission package content  
• Submits SPA RAI responses to CMS  

*Similar to the state’s SPA coordinator.*

*This role is authority specific.*

Next Steps

Questions?
Next Steps

- Obtain an EIDM ID and request your appropriate EIDM Role for access to MACPro, if you do not already have one
  - Instructions are available to assist with this process at: https://www.medicaid.gov/state-resource-center/medicaid-and-chip-program-portal/downloads/eidminstructionsmacprousers.pdf
Next Steps

Videos demonstrating the necessary steps in EIDM are also available:

- New User Registration via CMS Enterprise Identity Management Portal
  - This video walks you through the steps necessary to obtain an EIDM ID as a new user
    - [https://www.youtube.com/watch?v=RcoL3YzFXmU&list=PLaV7m2-zFKpgYq_8AHW-FYM61J295xwLC&index=4](https://www.youtube.com/watch?v=RcoL3YzFXmU&list=PLaV7m2-zFKpgYq_8AHW-FYM61J295xwLC&index=4)

- Submitting a Role Request and Completing Remote Identity Proofing (RIDP)
  - This video describes the steps required to submit a role request for a specific application within EIDM, such as MACPro
    - [https://www.youtube.com/watch?v=OmL4j0OQ7Rc&index=1&list=PLaV7m2-zFKpgYq_8AHW-FYM61J295xwLC](https://www.youtube.com/watch?v=OmL4j0OQ7Rc&list=PLaV7m2-zFKpgYq_8AHW-FYM61J295xwLC)
MACPro Administrative Training

- Users who hold or will be requesting the CMS System Administrator and CMS Role Approver MACPro user roles will be invited to attend an upcoming training session. Two sessions will be offered:
  - Option 1: 8/10/2017
  - Option 2: 8/15/2017

- Please obtain your EIDM ID and EIDM Role for MACPro prior to attending the training session, as we will provide a live-provisioning session to assist you in obtaining your MACPro user role during this session
